Chester, SC 29706

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: Career Center

Enrollment: 783 students

School Phone: 803-377-1991

School Website: <http://chester.career.schooldesk.net/>

Principal: Dr. Lee C. Green

Superintendent: Dr. Agnes Slayman

Board Chair: Mrs. Denise Lawson

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Chester County Career Center is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing many opportunities for students to gain the skills necessary to be successful in the workplace and beyond. Students use problem solving and critical thinking skills in hands-on projects in class and shop areas, demonstrating practical application of their knowledge. Many classroom projects utilize groups, providing teamwork application. Teamwork is also evident in competitions through our co-curricular clubs and organizations, such as SkillsUSA, DECA, HOSA, FBLA and FFA. Students learn to work together to accomplish a goal in a workplace type setting. Many of our students competed at the national level, having won their state level competition.

Senior CTE completer students had the opportunity to take the WorkKeys test, showing workplace readiness. After graduation, those students will be able to present their test scores when applying for a job. They were also encouraged to put the scores in the completer portfolio that each completer received at an awards program recognizing their accomplishments. These portfolios contain examples of their work in the program they completed, as well as a resume that they can continue to update.

Our district began a one-to one tablet initiative, allowing teachers to utilize electronic textbooks as well as on-line curriculum and activities more easily. Students and teachers have more opportunities available to them through this initiative.

Students are involved in community service through service learning projects. These projects allow students to work with community agencies to help our community in ways that tie to their curriculum, allowing them to see the relevance of their coursework.

Students also have the opportunity to participate in other work-based learning activities that allow them to explore career fields and delve deeper into real-world issues.

Dr. Lee Green, Chester County Career Center Director

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. This table below shows the number of certificates at what level earned by **Career and Technology Education (CATE) completers at this Career Center**. Note that these data are self-reported by the Career Center.

In order to receive the National Career Readiness Certificate, a measure that indicates a student has the foundational workplace skills to succeed, a student must take three subtests in WorkKeys: Applied Mathematics, Reading for Information, and Locating Information.

Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments. A designation can only be earned after a student has taken the three subtests required for the National Career Readiness Certificate. The table to the right show the level score requirements for each certificate level.

Number of CATE completers at Career Center earning the National Career Readiness Certificate by Level	
Platinum	0
Gold	2
Silver	18
Bronze	22
Attempted, but no certificate earned	8

* The three core WorkKeys subtests are: Applied Mathematics, Reading for Information, and Locating Information.

Certificate Level	Level Score Requirements
Platinum	Minimum score of 6 on each of the three core subtests*
Gold	Minimum score of 5 on each of the three core subtests*
Silver	Minimum score of 4 on each of the three core subtests*
Bronze	Minimum score of 3 on each of the three core subtests*

Performance of all students at Career Center compared to State Center Average

	Technical Skill Attainment			Graduation Rate			Placement Rate		
	This Center		State Center Average %	This Center		State Center Average %	This Center		State Center Average %
	n	%		n	%		n	%	
All Students	650	88.%	90.4%	146	100.%	97.1%	274	92.7%	97.1%

NOTE: n=number of students on which percentage is calculated; t=number of tests taken.

Definitions of Performance Rating Terms

* Technical Skill Attainment - The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.

* Graduation Rate - The percentage of 12th grade career and technology students who graduate in the spring.

* Placement Rate - The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment. Note: these data are self-reported.

Number of students at Career Center Earning National Industry Certifications
